

Joachim Froment

design

Joachim Froment is an award-winning belgian designer based in Brussels and Copenhagen (IF award, Rado Star Award, Bolia award, CES innovation award).

Founder and Creative Director of Futurewave, he is leading a team of creatives and technologists to help companies bring forward-thinking products on the market (Flos, Engelbrechts, Adidas, Duvel, 100% light, Decathlon, Cohabs, etc.).

Manifesto

Ally poetry, industry and sustainability.

Work

Through the past years, Joachim Froment has designed several products for different brands in variants sectors with a sensitive understanding of the relationship existing between people, products and their ecosystems .

1. Furniture (chairs, tables, outdoor, etc.)
2. Lighting (pendant lamps, table and battery lamps)
3. Futurewave (electric bikes, smart watches, etc.)
